Selection Process

The selection process consists of an online personality assessment, physical readiness test (2000 meter row), oral board interview, background investigation, medical examination, and psychological evaluation.

Online Personality Assessment

After you complete the online application, you will be provided with directions on how to complete the online personality assessment. The online personality assessment is completed on your own via your own computer. You will be provided instructions and a timeframe you must complete the online assessment by. If you do not complete the online assessment by the assigned date, you will be disqualified from the hiring process. You will complete two assessments. These assessments are not timed but please allow for approximately 20-25 minutes of un-interrupted time to complete. You will not be allowed to close the unfinished test and come back to it later.

You will be notified of your results within 7 business days. If you successfully complete the written exam and are recommended to continue in the process, you will be provided with instructions on how to sign up for the physical fitness test.

Physical Readiness Test

The purpose of the physical fitness test is to determine if the applicant is physically able to safely participate in the training conducted at the Training Academy and perform the duties of a Minnesota State Patrol Trooper.

Only applicants that have successfully passed the online personality assessment will be allowed to continue on and participate in the physical readiness test. After successful completion of the online personal assessment, applicants will be given instructions on how to select the physical readiness testing dates and locations.

Applicants must bring a current state-issued driver's license to the physical fitness testing. We will accept an expired driver's license as long as it has been renewed and you provide your renewal paperwork (yellow papers). Photocopies will not be accepted.

The application process is very competitive. Testing is conducted on the Concept 2 Rower at the 60 percentile according to a person's age, gender and weight. Applicants must row 2000 meters, scoring at or above the minimum 60 percentile on their test in order to continue in the application process. The 2000 meter test takes place at the **level 5** or damper setting 5 on the flywheel. Those that do not pass the entrance physical readiness test on the Concept 2 Rower at the minimum requirement will not continue with the hiring process for the Minnesota State Patrol.

Interview Board

Applicants who successfully complete the physical readiness test will select a time slot in which they will return for an oral board interview **that same day**. Applicants will be allotted time and access to shower facilities prior to going into their interview if needed. Applicants must change into business professional for the interview portion.

Background Investigation

An extensive background investigation will be conducted on selected applicants who pass the interview board. The background investigation information will be provided to applicants after they have successfully completed the online personality assessment.

Medical Examination and Psychological Evaluation

Applicants who receive a conditional offer of employment or are listed as an alternate will be required to pass a psychological evaluation and medical examination before receiving a final offer of employment. The purpose of the medical examination is to detect any physical condition that might adversely affect the applicant's ability to perform the duties of a State Patrol Trooper. Applicants with questions regarding possible disqualifying physical conditions should contact the Application Coordinator at patrol.applicant@state.mn.us or by telephone at 651-757-1902 or 651-757-1900.

As part of the medical evaluation, vision will be tested. The State Patrol visual acuity requirements are 20-100 uncorrected, correctable to 20-20 with glasses, hard contacts or soft contacts. If an applicant tests with uncorrected vision in excess of 20-100 they then must use soft contacts with vision correctable to 20-20. Individuals must have worn soft contacts a minimum of six months. Written verification from the applicant's optometrist must be provided at the time of the medical examination. Color blindness and peripheral vision will also be evaluated; applicants must pass these evaluations. Any applicant having vision correction surgery must have had surgery a minimum of six months prior to the medical examination, and must provide written medical verification and documentation at the time of the examination that no complications exist.

Hearing assessment by an Audiogram is required as part of the medical evaluation. Any applicants requiring or using hearing aids will need to bring in documentation from a licensed audiologist showing corrected hearing meets requirements of: not have more than a 35db loss in either ear when averaging the loss at 500, 1000, 2000 and 3000hz.

A licensed psychologist will conduct the psychological evaluation. The purpose of this evaluation is to determine whether any condition exists that might adversely affect the applicant's ability to perform the duties of a Minnesota State Patrol Trooper.

Placement

When you apply, you will list the district that you would like to work in. In most cases, when you receive your official offer of employment, you will choose from the available district and station assignments. The Minnesota State Patrol will consider an applicant's preferences along with agency needs.

Training Academy

The State Patrol Training Academy will take place at the Camp Ripley military base located at 15008 State Highway 115, Little Falls, Minnesota 56345 from Sunday night through Friday evening, during the residential portion of their training. Candidates will be furnished meals and lodging while attending training at Camp Ripley. Candidates are required to pass all areas of training.

Compensation

Tuition for successful candidate's attendance at the proposed Training Academy will be paid for by the Minnesota State Patrol. Trooper Trainees will be paid the base salary of a State Trooper (based on step 1 of the Trooper salary range). Upon completion of training and appointment as State Patrol Trooper, Probationary Troopers will receive Trooper base pay of \$65,499/year or \$31.49/hour (plus any applicable contract adjustments). Employees hired into the Trooper classification shall serve a minimum of 12 weeks field training and a probationary period of 12 months. Current law enforcement officers may be eligible for lateral pay not to exceed step 5 of the current MLEA Agreement upon completion of training and appointment.
